One Earth Landscapes, Inc
3317 Brandon Avenue, SW
Roanoke, VA 24018

Dear Tony;

The board of Directors for the Pines HOA wanted me to commend you for your upcoming efforts on taken care of replacing their speed bump that was damaged by the snow plowing of another company. They have been informed this will be taken care of in the coming weeks. The President and other board members wanted to let you know they have taken notice and appreciate your attention to detail and relentless determination to take care of things on their property, even if it was not One Earth's fault or out of your control. They are proud to have you as part of their team and look forward to the upcoming year with One Earth Landscapes.

Best Regards,

The Pine Homeowners Association,
Board of Directors
